

FERAL CAT INFORMATION

At this time the Humane Society of San Bernardino Valley's humane trapping program has come to an end.

The following information is to aid in your mission in dealing with feral cats living within your neighborhood. The HSSBV is not affiliated with any of the businesses listed, nor does this listing constitute an endorsement. It is only a partial listing of businesses in the area.

To purchase feral cat traps:

Aces Animal Care Equipment and Services
/ www.animal-care.com

Harbor Freight / www.harborfreight.com

Home Depot / www.homedepot.com

Lowes / www.lowes.com

**Check your local stores for in-store availability*

Check with your local Animal Control Agency

For information on surrendering a feral cat or for rescue groups who may be able to help in your mission. Some rescue groups practice trap, spay/neuter, and release back to the area of capture.

Redlands Animal Control

(909)798-7644

San Bernardino City Animal Shelter

(909)384-1304

San Bernardino County Animal Control

(909)386-9820

Spay/Neuter Surgery at HSSBV

Feral cat pricing is our regular low cost spay/neuter pricing.

Feral Cat Surgeries

A Feral is a cat/kitten that can not be touched or handled.

•Cats/kittens must be feral to be accepted for surgery without an appt.

•Check-in is between 8:30 & 9:30 a.m. **on a first come, first served basis.**

Due to limited resources, there is no guarantee we will be able to accept feral cats/kittens for surgery despite our best efforts.

•Feral cats/kittens must be contained in a trap for their safety (not a carrier).

Only one cat/kitten per humane trap.

•It is recommended to perform a FELV/Fiv/HWT test on all feral cats/kittens. It is mandatory if you are requesting the leukemia vaccine.

•A Rabies vaccine is recommended.

•Ears will be notched or tipped to identify cat/kitten as feral. This serves as an indicator that the animal has been spayed/neutered.

•Please set your trap at night and if your trap is empty in the early morning, trigger the trap and reset again at night.

•Do NOT trap over the weekends or holidays.

•Trapping any animal should only be done in accordance with California State Laws. Please check with your local animal control agency first.

•When trapping you will be responsible for the humane & legal care of that animal.

•Never trap an animal and relocate to another location.
